*I will sing of the lovingkindness of the LORD forever; to all generations  
I will make known Thy faithfulness with my mouth." Ps. 89:1*

Your prayers really do  
make a difference!

- Chang gave her life to  
Jesus two weeks ago!

Please continue to keep her  
new walk with the Lord in  
your prayers.

- I made it to my monthly  
partnership goal and will  
be back out full-time on  
the campus this Fall!!!

Thank you for all your help  
to make that possible.

Whether through newly  
joining my team, increasing  
in your monthly partner-  
ship, referring me to other  
Christians and/or praying

for God's provision, it's  
such a blessing to have you  
partnering with me in faith.

Please join me in praying  
that my monthly partner-  
ship will come in steadily  
and continue to grow while  
I'm out there sharing the  
Gospel.

- Please pray for all our  
student members to return  
to school safely with a pas-  
sion for spreading God's  
Word to their peers.

Your faithful partnership with our ministry  
and effective prayer are bringing in an in-  
credible harvest!! Over the summer we have  
the opportunity to reach out to the incom-  
ing freshmen for the Fall semester. This  
summer we met 545 young men and women  
who are receptive to the Gospel. We look  
forward to contacting these students in just  
a few weeks to begin sowing the good news  
of Jesus Christ in their hearts!!

**We met Amanda last Fall semester and here  
is her amazing testimony of God's grace  
bringing her to saving faith in Jesus:**

As a young girl my family and I went to church all the time and when I was six years old I experienced that God was drawing me to Himself. Then as I got older, going to church was something we did because "we just should" until waking up on Sunday mornings became harder and harder to the point where we stopped going altogether. I believed in God and tried to be a good person and thought that was enough. But it wasn't enough because as I got older I felt myself questioning my faith and slipping further away from my belief in God. Trying to be a good person didn't matter as much anymore. When I started college, I knew I needed to get my life back on track with God, so I joined a Bible study. It was in this Bible study that I found what repentance really means and that I needed to fully surrender my life to Jesus. I needed to stop living by my own will and the things of the world. Fall semester of my freshman year I fully gave my life to Jesus. Since that day I have been building a real relationship with God on a daily basis. A few weeks after getting saved I went on a spring break trip to the University of Florida with Cornerstone Christian Church to reach out to other college students. With the help of my partner Camille, for the first time I was able to pray with a girl as she gave her life to the Lord. Now I will be living with three other girls in the church this upcoming year and I cannot wait to see all that God has planned for my life!!

**Your faithful prayers and support are enabling us to reach the USF with the Gospel.  
Together, we will see the LORD's faithfulness in drawing this generation to Christ!**
