Enter His gates with thanksgiving, and His courts with praise. Give thanks to Him, bless His name. For the LORD is good; His lovingkindness is everlasting, and His faithfulness to all generations. ~ Psalms 100:4-5

As we reflect on the past school year, we give thanks to God for all He has done at the University of South Florida:

- 
- ★ 2744 Bible studies met last year, an average of 92 per week.
  - ★ 101 students prayed to get saved. 49 were baptized.
  - ★ We trained 28 student leaders to preach the Gospel.
- ★ In 6 years, we've graduated 36 students and 89% have stayed in Tampa to help build the church. A third (10) of those graduates have joined our full-time staff.
- 

**Your partnership has resulted in tremendous fruit coming from the USF campus!  
Thank you for your help in reaching these students with the Gospel.**

**One of the students who prayed to get saved last year was John. Here is his story:**

*Growing up, I knew who Jesus was through going to church once in a while with my family. But as I got older and began college, I knew that I didn't have a personal relationship with Jesus and that there was something missing that was keeping me from growing. One day, I met a minister from Cornerstone who challenged me to attend a weekly Bible study. I said "why not?" I began to learn that just "going to church" and "being a good guy" won't get someone into Heaven. Through that Bible study I made the decision to repent from my sins. I have been baptized and the minister has helped to lay a biblical foundation in my life. I can say that my relationship with Christ is now a personal, daily walk where I am learning to live by faith.*

*It's not just going to church on Sunday but reading the Word daily and sowing seeds of faith into my heart that produce a healthy Christian lifestyle. I have also recently begun a budget, a time management schedule, and have started setting goals in life. I'm enjoying great fellowship with awesome Christians at Cornerstone. Since giving my life to Christ, I have seen my brother Mark (17) give his life to Jesus, and he is growing in his walk with the Lord. Now my sister (21) is attending Bible studies as well! I am so thankful for Cornerstone's ministry at USF!*

Please pray with us for:

- Continued grace over the Summer Orientation sessions and that the students hearts would be open to the Gospel.
- Chang to believe in the truth of God's Word, that she would encounter Christ's love and give her life to Him.
- Our staff to have continued grace in developing our partnership teams this summer. Thank you for praying that God would lead me and add new partners to my team. He has been faithful to do that over these last few weeks, and I am now within \$200 of my monthly partnership goal!
