

Thank you to everyone who partnered with me for our outreach to UF! You're such a blessing to our ministry, and I'm truly grateful for your prayers and partnership.

Please pray for:

- The Lord to prepare the students' hearts at UF for the Gospel and for grace on our upcoming Spring Break trip to Gainesville, and that the students we are taking will be encouraged as they see how God will use them to lead their peers to Christ!
- Our staff and student Bible study leaders to continue to meet more young men and women at USF that God is drawing to Himself.
- The newest members of our church to continue developing strong relationships with the Lord and with one another.

A Ministry of Cornerstone Christian Church

Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father but through Me.

~John 14:6

*We are so excited about our Spring Break outreach trips coming up **March 11th-17th**. The students in our church have been preparing for the trips by sharing the Gospel on our campus and praying for students to receive Jesus and come into the church. Anthony is one of the students who is using his Spring Break to reach students at the University of Florida. Here is his story:*

I grew up in a Christian family, but I had never given God much thought until later in life when my grandmother passed away during my freshmen year at USF. After having someone that close to me die, I started to wonder about my own life and what would happen when I died. It would keep me up at night sometimes. I decided that I needed to find some answers, and I found them one day when a campus minister from Cornerstone Christian Church asked me if I wanted to do a quick survey. Initially, I did not want to do it, but something inside said I should, so I did. He asked me if I believed I would go to heaven when I died and why I believed this. He then asked me if I wanted to do a Bible study with him to help me answer these questions with more certainty. Initially, I was hesitant, but that same voice inside said that I shouldn't run away from the answers if I was going to ask the questions, so I agreed to the Bible study. At first, I was relatively flaky when it came to meeting for the Bible studies. That is, until a question came from my Bible study leader and the Lord, *Is this something you really want to do?* At that moment, I realized I was running away from the answers to the questions I was asking because I was afraid to fail, afraid that I wasn't good enough, that the words in the Bible somehow didn't apply to me and that I would be left behind if I made even one mistake. With a lot of faith and the acceptance of God's love, I finally broke through that fear. I gave my life to the Lord in March 2011, and I have never felt better. The Lord has been with me every step of the way, guiding and guarding my heart, and the one thing I want for everyone I meet is to know Jesus in their hearts and to feel this same great feeling I feel everyday.
