## REACH THE CAMPUS... REACH THE WORLD

At the University of South Florida, there are students from over 120 different countries. This month we wanted to give glory to God for the way He has added some of these students as members of our church. These members who have been impacted by God on our campus will impact their cultures and communities for Christ.

**Thank you so much for your partnership. Together we are reaching the nations!**

**Please pray for:**

- Our new staff members who are beginning to raise support, and for the rest of our staff as they believe God to grow their partnership teams this summer.
- All the students going home for the summer to continue to grow in their relationships with Christ, and for the students staying in Tampa to come into the life of the church.
