Please pray for:

- Grace on our staff and Bible Study leaders as we connect with the new students we have met this semester so far and invite them to church and Bible studies.
- The Lord will continue to lead us to more students who are open to the Gospel.
- Princess, Odineka, Gabby, Gabriella, Donique, and Mary to experience the love of Jesus and give their whole lives to Him.
- Jailyn to be strengthened to stay firm in her faith in the midst of peer pressure.

“And He said to them, ‘Follow Me, and I will make you fishers of men.’ ”
~ Matthew 4:19

Fall semester 2016 is on its way and we have trained and equipped 38 members as Bible Study leaders. These students will help us in reaching their peers with the Gospel. Thien's life was greatly impacted after he met one of our Bible Study Leaders named Mike. We are excited to share Thien's testimony with you.

Jesus on that day.

In the following years, life presented many challenges with ups and downs that tested my newfound faith. A few months after I gave my life to Jesus, my mom was diagnosed with primary open-angle glaucoma. As we continued to pray and rejoice in the Lord my mom was miraculously healed. Through this experience God taught me the power of prayer and praise and that I could rejoice in Christ in all things just like Habakkuk 3:17-19.

As a graduate student at USF I began to pray for a church to be a part of. God answered that prayer when I met Mike from Cornerstone Christian Church. I quickly saw that I could grow as a believer and became a member shortly after. As a result of the relationships that I have at Cornerstone and the Word of God that I hear every week, I have grown in my relationship with Jesus and I have even been reaching out to several of my friends in the pharmacy school at USF with the gospel.

Since the day I gave my life to the Jesus, I have been transformed into a new person. The Lord blesses my life with joy and hope and a yearning to know more about Him and the Word of God. Now as a part of the body of Christ, I am free to explore the Scripture, to worship together, to grow in fellowship, to share our faith with others; and by God's grace, I am still maturing with each passing day. -Thien

God brings people to Him in different ways. Looking back, I feel blessed to have grown up in a Christian family although I didn't get saved until my 19th birthday. I went to Sunday school, small groups and studied the Bible like other kids but unbeknownst to my parents, I did not believe in the notion of a higher power and strongly rejected that idea. Still, despite all that, God called out to me during a youth camp just before my 19th birthday. His love and His sacrifice and everything I've learned over the years finally reached me in one single moment and I gave my life to

Thank you for your faithful partnership! Together, we are reaching this next generation of leaders for Christ and equipping them to make disciples of all the nations!
